This year's event will be of extraordinary significance, as The Board of Visitors and Children's National will each celebrate its 150th birthday. These birthdays are truly momentous, not only for The Board of Visitors and Children's National but for all families in the Washington DC area. This year's A Vintage Affair will feature, as always, fine wines and outstanding cuisine from around the world, as well as the opportunity to bid on special wines, unique vacations and dining experiences during the silent and live auctions.

Over the past five years, A Vintage Affair has raised nearly \$5 million for Children's National. The Board of Visitors, through A Vintage Affair, enables Children's National to expand the horizons of pediatric care. This impact can be seen across the hospital, making a real difference for the families in its care.
